

2002-03 District Status Report

Yellville School District

Accreditation Standards

The Standards of Accreditation of Public Schools require that each school offer three programs of study in three different occupational areas. Below are the programs offered for 2003-04. If a program is offered at a vocational center, students must be enrolled in the 2003-04 school year.

Yellville-Summit High School is offering 10 programs of study in eight occupational areas:

Completers of Programs of Study

A completer is a graduate who successfully completed three or more units of credit within a program of study, including all the core requirements for that program of study.

There are two measures for this indicator. The first is the number of completers compared to the number of graduates. The second is the number of seniors enrolled in career and technical classes compared to the number of completers.

The state benchmarks for this measure are 35 percent and 50 percent, respectively.

| | |
|----------------------------------|-----|
| Completers compared to graduates | 10% |
| State average | 28% |

District Rating: Below State Average

| | |
|---|-----|
| Number of seniors enrolled in vocational education compared to number of completers | 12% |
| State average | 36% |

District Rating: Below State Average

| | |
|---|---|
| Total Number of Completers of Programs of Study (unduplicated) (A student may complete more than one program of study) | 7 |
| Agricultural Mechanics | 3 |
| Agricultural Sciences/Plant | 1 |
| Information Management/Multimedia | 4 |

Graduation

The graduation rate for concentrators is based on the number of students identified as concentrators at the beginning of their senior year compared with the number of those from that who graduated.

The state benchmark for this measure is 90 percent.

| | |
|--------------------------|-----|
| Concentrators Identified | 41 |
| Concentrators Graduated | 34 |
| Percent Graduated | 83% |
| State Average | 92% |

District Rating: Approaching State Average

Placement

Placement is based on the status of completers six months following graduation. Completers who pursued opportunities in postsecondary education, the workforce, and/or the military are considered positive placements.

The state benchmark for this measure is 98 percent.

| | |
|--|------|
| Completers reported in 2001-02 | 15 |
| Completers surveyed for follow-up | 14 |
| Completers in postsecondary education/workforce/military | 14 |
| Percentage of positive placement | 100% |
| State Average | 94% |

District Rating: Significantly Above State Average
